

STRIVE[®] ATLANTA

WE PROVIDE CAREER PATH TRAINING

To help people acquire the life-changing skills and attitudes needed to overcome challenging circumstances and find sustained employment.

CAREER COACHING

Helps establish goals and gives each student intensive, personal support to identify and remove any barriers that stand in the way of their success

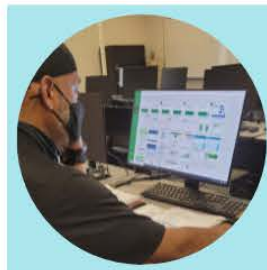

JOB READINESS TRAINING

Focuses on mindset, accountability, and the interpersonal skills needed in the workplace

JOB PLACEMENT ASSISTANCE

Builds on our deep employer partnerships where graduates not only land a job but build a career

ABOUT US!

STRIVE was founded in 1984 in Harlem, NY with a vision of helping the unemployed and underemployed by providing the necessary supports to achieve self-sufficiency. Launched in 2020, STRIVE Atlanta is the first expansion site of the STRIVE organization.

Our tuition-free training program offers all the skills and coaching you need to jumpstart your career in the administrative and supply chain industries, mastering the basics of logistics with real-world application and credentials.

OUR ACTIVITIES

01

7-week Career Path program is 60% virtual / 40% in-person.

02

S.T.A.R.T. (Success Through Attitude Readiness Training) focuses on attitude, accountability, personal responsibility, workplace ethics, professional etiquette, and interpersonal skills.

03

Hands-on training and certifications that follows one of several career paths aligned with local employer needs.
